SUPPLEMENTAL HEALTH QUESTIONNAIRE

Orthodontic Treatment in the Era of COVID-19

If you have been exposed to a communicable disease, you may spread the disease to the orthodontist, orthodontic staff, or other patients/parents in the practice. Therefore, prior to each appointment, we will be asking the following questions to reduce the chances of transmission:

Do you, your child, others accompanying you to today's appointment or anyone you have recently been in contact with have any of the following symptoms?

Fever (defined as above 99.6 degrees)?	Yes	🗌 No
Cough?	Yes	🗌 No
Shortness of breath and/or trouble breathing?	Yes	🗌 No
Persistent pain, pressure, or tightness in the chest?	Yes	🗌 No

Have you, your child, others accompanying you to today's appointment or anyone you have recently been in contact with tested positive for or been diagnosed as having COVID-19 or any other communicable disease?

If yes provide approximate dates of illness	through		
	symptom start date		symptom end date

☐ I understand that if the answer to any of these questions is yes, I may be asked to reschedule today's orthodontic appointment to a later date.
